### Recessed

### What to Know

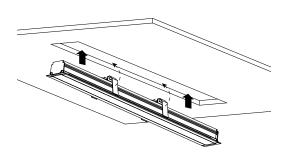

Risk of fire and electrical shock. Installation requires knowledge of electrical systems and should be installed by a qualified electrician. If not qualified, **DO NOT ATTEMPT INSTALLATION.** 

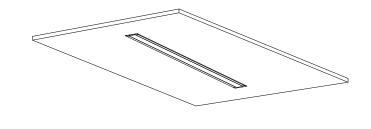

Connect power to the fixture. An enclosed driver box is provided which is fastened to the top of the fixture housing. Check to make sure you have a secure connection and that the fixture works before moving to the next step. Refer to the wiring diagram.

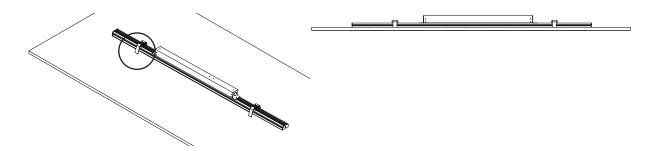

The springs push against the top of the drywall surface and hold the fixture in place.

#### **Care Instructions:**

Wipe with a soft cloth only. Always avoid using harsh chemicals and/or cleaners.
