Fixture Type

DESCRIPTION

2.75" x 1.0" Edge-Lit Linear for Wood Ceiling Grids

EDGESolo275 Woodworks is an innovative low-profile LED luminaire designed to fit within a 2.75" space between grills in an Armstrong Woodworks Ceiling panel. EDGESolo275 Woodworks is only 1" high and provides the perfect direct light with a range of symmetrics and asymmetric lighting distributions available. EDGE products all provides best-in-class efficiency and beam control options. EDGESolo275 Woodworks is specification-grade with high lumen per foot, high CRI, and circadian options. EDGESolo275 Woodworks incorporates an engineered LED light engine with fully customizabl choices for lumen output, CCT, and CRI.

FEATURES & BENEFITS

Exceptional Performance

Up to 1,000 lm/ft, 135 lm/W efficacy. Low Glare (UGR<19) WELL Building Standard $^{\text{TM}}$ and LEED certified when specified less than 400 lm/ft.

LED Selections

Static

Designed with Options

Wide choice of SmartOptic® lenses, beam distributions, 80/90/95+ CRI, 2700K to 6500K CCT, and 0-10V, DALI, DMX, and TRIAC dimming

Patented Innovations

Fusion® Optix Inside with unique SmartBeam® capabilities

Proprietary Optical Components

Provides excellent light distribution and high-transmission

Committed to Sustainability

Declare Listed and Red Free List materials

Compliance

UL Listed, Dry and Damp Locations

5-Year Warranty

Standard 5-year warranty, 50,000 hours

Designed & Built in **BOSTON**

Mounting Method

SMARTBEAM® TECHNOLOGY

The Ultimate Control of Lighting Distributions

SmartBeam makes it easy to specify the exact light required for any architectural space. Available in every XICO product; it is now possible to create truly tailored and engaging lighting that transform spaces, improves visual comfort, and saves energy.

Finishes & Design Options

Powder Coated Housing Colors (Matte Finish)

White (RAL9003) Black (RAL9005) Gray (RAL7001) Custom RAL

Housing Material

6063-T5 extruded, recycled aluminum

Mounting Brackes

Sheet Metal

End Cap Material

6063-T5 extruded, recycled aluminum

Lens Options and Material

Standard, Baffle and Glare Reduction lens options with Patented SmartOptics® made from Acrylic (PMMA)

Standards & Certifications

Sustainability

Low carbon, environmentally conscious packaging and shipping methods

Compliance

BABAA & TAA compliant in-house manufacturing in Boston, MA with North American supply chain

Certifications

Declare Listed and Red List Free

Low carbon, environmentally conscious packaging and shipping methods

Recyclable

SmartOptics and all powder coated and anodized parts are fully recyclable at end of life

Manufacturing

All XICO products and associated optics and LED engines are assembled at our factory in Woburn, MA

Quality Assurance

Each product is engineered for reliability and tested for quality assurance

Declare Listed

At Xico Lighting, we are committed to transparency and sustainability. That's why all our products are Declare listed, providing clear insights into their environmental footprint and safety. Look for these internationally recognized labels on Xico products, packaging, or at xicoled.com/declare.

Red List Free

Xico Lighting is dedicated to creating safe, sustainable solutions. All our products are Red List Free, meeting the highest industry standards for healthy and environmentally responsible materials as defined by the International Living Future Institute (ILFI). Learn more at xicoled.com/declare.
